Questions for Parents: Why are you interested in a private school education for your child? What would like a school to provide your child? What is most important to you with respect to your child's education?

Do you wish your child to attend a competitive 4-year college?

Describe your child's academic strengths and weaknesses. Does he or she regularly do homework?

Describe your child's motivation, both in school and outside.

SciCore Academy Admission Application, page 2.

The student applicant should answer the following questions in his or her own handwriting. Additional pages may be attached, but try to be brief.

1. If you could meet any historical figure, who would it be? Why? What would you talk about?

2. Name an important invention produced within the last 20 years and describe how it has affected your life.

3. List four of your favorite books.

4. What is your strongest academic area (science, math, history, writing, art, design, etc.). Tell us about it.

5. Describe your career aspirations. If you haven't decided yet, tell us about one of your favorite interests.
